WRIT PETITION NO.3042 OF 2006

-

Between:

M.Ramanaiah son of Ramayya

…Petitioner

vs.

Executive Engineer, BSNL Civil Division, Vijayawada.

…Respondent.

THE HON'BLE SRI JUSTICE GODA RAGHURAM

WRIT PETITION NO.3042 OF 2006

ORAL ORDER

The petitioner's grievance is that the respondent has failed to issue him the tender forms thus disabling him from participation in the tender process. He desires to participate pursuant to the notice inviting tenders dated 04-02-2006. The petitioner intends to participate in the works serialized as item Nos.1 and 2 in the tender

notice.

At the time of admission hearing, the learned Standing Counsel for the BSNL states on instructions and on perusal of the records that the petitioner's application for registration as a BSNL civil wing contractor is still pending consideration and the petitioner has not yet supplied the documents asked from him to enable processing of his application.

As the petitioner is not at present a registered contractor of the BSNL civil wing, the petitioner's tender cannot be considered nor can he be supplied tender forms, is the response. The petitioner is not able to demonstrate that he is now a registered contractor of the BSNL civil wing. Therefore the petitioner's grievance has no legal foundation.

The writ petition is accordingly dismissed. The petitioner is at liberty to pursue his application for registration.
